IT— Shade sono paraventi modulari da utilizzare per creare aree di privacy e dividere gli spazi. I moduli, disponibili in tre misure, hanno struttura in legno rivestita in tessuto e preziosa cornice perimetrale in alluminio spazzolato disponibile in tre colorazioni. Ampia possibilità di personalizzazione grazie alle gamma di tessuti proposta e alle diverse dimensioni, che permettono combinazione di moduli multipli, da comporre liberamente nello spazio.

EN— Shade are modular screens to guarantee privacy and divide up spaces. Available in three different sizes, the modules consist of a fabric covered wood panel with a refined brushed aluminium finish frame available in three colours. The possibilities for customisation are vast, thanks to the range of fabrics proposed and different available sizes, enabling multiple modules to be combined to compose the space freely.

F— Shade sont cloisons modulaires pour agencer des espaces tranquilles et créer des zones de travail séparées. Les modules disponibles en trois tailles différentes ont une ossature en bois revêtue de tissu, ainsi qu'un cadre précieux en finition aluminium brossé disponible en trois couleurs. Les cloisons sont personnalisables grâce à la gamme de tissus et aux différentes tailles disponibles, ce qui permet d'assortir plusieurs modules et d'agencer librement l'espace de vos bureaux.
