« PROFCASE »

IT— PROFCASE è un sistema libreria a spalla portante disponibile in varie altezze e larghezze che offre massima libertà compositiva. È caratterizzato da fianchi e ripiani di spessore 28 mm disponibili in finitura melaminico o laccato. Prevede diverse tipologie di ante battente in legno o vetro, cassetti, inserti a giorno, speciali moduli TV e smart work per organizzare lo spazio secondo le proprie necessità. L'ampia modularità e la varietà delle finiture permettono sempre un'interpretazione personale dell'ufficio contemporaneo.

EN— PROFCASE is a load-bearing bookcase system available in various heights and widths that offers maximum compositional freedom. It is characterized by 28 mm thick sides and shelves available in melamine or lacquered finish. It includes different types of wooden or glass hinged doors, drawers, open inserts, special TV modules and smart work to organize the space according to your needs. The wide modularity and variety of finishes always allow a personal interpretation of the contemporary office.

F— PROFCASE est un système de bibliothèque modulable disponible en différentes hauteurs et largeurs qui offre une liberté de composition maximale. Il se caractérise par des côtés de 28 mm d'épaisseur et des étagères disponibles en finition mélaminé ou laqué. Il comprend différents types de portes battantes en bois ou en verre, des tiroirs, des inserts ouverts, des modules TV spéciaux et un travail intelligent pour organiser l'espace selon vos besoins. La grande modularité et la variété des finitions permettent toujours une interprétation personnelle du bureau contemporain.
